Mr. George J. Kelley, Jr.
County Executive
County of Fairfax
Fairfax, Virginia 22030

Dear Mr. Kelley:

In the Director's absence I should like to respond to your letter of December 7, 1971, on behalf of the Board of Supervisors. The apportionment action has been resolved and we are now awaiting formal transfer of a portion of the property from the General Services Administration.

With regard to the fencing, we have been advised that the entire area, including the fencing, has been transferred to the National Park Service. Mr. David Richie, Superintendent, George Washington Memorial Parkway, has informed us that the recreation area adjacent to Route 193 is currently available to the public and that the fencing will continue in place to protect the area and its users.

I hope this information is helpful. If you have further questions, it is suggested that you communicate directly with Mr. Richie.

Sincerely,

L. K. White
